

### GRS Exemplar Global Certified ISO 50001 Lead Auditor

The ISO 50001 Lead Auditor training enables you to develop the necessary expertise to perform an Energy Management System (EnMS) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and the certification process according to ISO/IEC 17021-1.

Through extensive examination of your knowledge and personal attributes, GRS's Energy Management Systems training can give you proof of your competence to effectively audit EnMS and give you assurance that your audits will be accepted globally.

Built in liaison with industry representatives in accordance with ISO 19011:2018, GRS's Energy Management Systems training provides individuals with proof of their competence to effectively manage energy issues.
