

GRS Exemplar Global Certified ISO 22000 Lead Auditor

The Food Safety Management System (FSMS) auditor certification program has been developed by GRS to provide international recognition for auditors who conduct food safety management system audits based on the ISO 22000 food safety management system standard.

Through extensive examination of your knowledge and personal attributes, GRS's Food Safety Management Systems Certification Program can give you proof of your competence to effectively audit FSMS and give you assurance that your audits will be accepted globally.

Built in liaison with industry representatives in accordance with ISO 19011:2018, GRS's Food Safety Management Systems Certification Program provides individuals with proof of their competence to effectively manage food safety issues.
