

GRS Exemplar Global Certified ISO 18404 Lead Auditor

The Six Sigma Auditor Training program has been developed by GRS to provide international recognition for auditors who conduct external/third-party six sigma audits based on the ISO 18404:2015 six sigma standards.

Through extensive examination of your knowledge and personal attributes, GRS's Six Sigma Auditor training can give you proof of your competence to effectively audit and give you assurance that your audits will be accepted globally.

Built in liaison with industry representatives in accordance with ISO 19011:2018, GRS's Six Sigma Auditor training provides individuals with proof of their competence to effectively manage six sigma issues.
