

GRS Exemplar Global Certified ISO/IEC 17025 Lead Auditor

The Testing and Calibration Laboratory Assessor training has been developed by GRS to provide international recognition for assessors who conduct testing and calibration laboratory assessments based on the ISO/IEC 17025:2017 testing and calibration laboratory standard. ISO/IEC 17025:2017 specifies the general requirements for the competence, impartiality and consistent operation of laboratories.

ISO/IEC 17025:2017 is applicable to all organizations performing laboratory activities, regardless of the number of personnel. Laboratory customers, regulatory authorities, organizations and schemes using peer-assessment, accreditation bodies, and others use ISO/IEC 17025:2017 in confirming or recognizing the competence of laboratories.

Through extensive examination of your knowledge and personal attributes, GRS's Testing, and Calibration Laboratory Training program can give you proof of your competence to effectively assess an ISO/IEC 17025-based testing and calibration laboratory program and give you assurance that your audits will be accepted globally.
